

The Australian & New Zealand Metabolomics Conference

30 March - 1 April 2016

La Trobe Institute for Molecular Science, Melbourne, Victoria

Confirmed keynote speakers and facilitators:

Professor David Wishart, University of Alberta, Canada

Professor Jean-Luc Wolfender, University of Geneva, Switzerland

A/Prof. Ute Roessner, The University of Melbourne

Dr. Oliver Jones, RMIT, Melbourne

Dr. Thusitha Rupasinghe, Metabolomics Australia

A/Prof. Silas Vilas-Boas, The University of Auckland, New Zealand

Dr. Damien Callahan, Deakin University, Melbourne

Topics:

- Biomedical
- Plant
- Environmental
- Methodology
- Lipidomics
- Data Analysis
- Microbial

Early bird registration and oral abstract deadline EXTENDED ! 15th February, 2016
